Senator Caleb Frostman joins DPW Chair Martha Laning at kick-off event on the poor condition of Wisconsin's critical infrastructure.

GREEN BAY, WI - Today, the Democratic Party of Wisconsin launched a "Fix Our Roads" tour focused on Scott Walker's failures to adequately maintain Wisconsin's critical infrastructure. Wisconsin has the second worst roads in the nation , and the average driver spends $640 per year on car repairs due to the poor conditions of the roads.

The kick-off event was held in the parking lot of the Brown County Democratic Headquarters in Green Bay. Additional events across the state will be announced.

WHO: Senator Caleb Frostman, DPW Chairwoman Martha Laning

WHERE: 118 S Chestnut Ave, Green Bay, WI 54303

WHEN: TODAY -- Friday, August 3rd at 11:00 AM
