MADISON - I went to Plover this Saturday to give a talk on the grave risk of authoritarianism that we're facing, and I wanted to share it with you:

A few days later, I heard Joe Biden give a tremendous speech on the same subject, and I wrote about that here:

I must have been in the mood for praising this week because I also hailed Gov. Evers for vetoing that horrible GOP bill on local redistricting. Here's what I wrote:

I hope you like this week's offerings, and have a nice weekend!

Best,
