3rd Congressional District public hearing to occur on Nov. 19

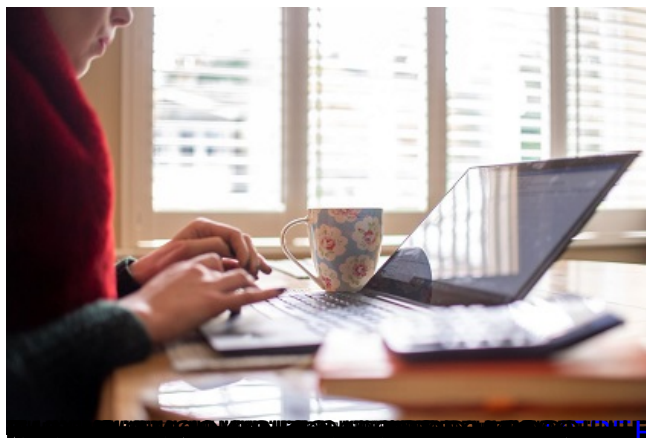

MADISON — The People's Maps Commission will hold a virtual public hearing from 5:30 – 8:30 p.m. on Thurs., Nov. 19, 2020, to seek public input on the upcoming redistricting of legislative maps from constituents of Wisconsin's 3rd Congressional District. Although the Nov. 19 hearing will focus on the 3rd Congressional District, all Wisconsin residents are encouraged to watch and participate. Anyone wishing to testify at the hearing must register in advance by visiting the People's Maps Commission website [HERE](#).

The hearing is the Commission's third in a series of at least eight meetings, one for each one of Wisconsin's eight congressional districts. The virtual public hearing will include testimony from subject matter experts and also provide Wisconsin residents the opportunity to express how they have been affected by legislative redistricting and share their ideas for how Wisconsin can work together to achieve fair maps.
