Group will provide advice and counsel, and help connect Dr. Underly to various communities and stakeholders across the state.

Madison, WI – On Tuesday, Superintendent-elect Jill Underly announced that Representative Shelia Stubbs (D-77) will be a part of her transition team. On this appointment Rep.Stubbs released the following statement:

“I am proud to join Dr. Underly’s team, and for the opportunity to help guide our education system towards a more equitable tomorrow. It is an honor to serve alongside so many great community leaders, and help continue the great work of the Department of Public Instruction”

“Dr. Underly’s decision to include diversity in her transition and leadership teams shows a

commitment to equity going forward. I want to congratulate these new members on their appointment, and for their continued work in public service. I am confident that with our help, and Dr. Underly's determination, we will be able to ensure that every Wisconsin child receives a quality education."

"Once again I am honored to assist Dr. Underly in any way that I can, and I am excited for the work ahead."

The transition team will meet periodically, provide advice and counsel, and help connect Dr. Underly to various communities and stakeholders across the state. All members of Dr. Underly's transition team can be found [here](#) and the first appointments to the leadership team can be found [here](#)
