New office will focus on neighborhoods, the disruption caused by crime, tracking contributing factors, researching incidents with high likelihood of retaliation, developing reduction strategies, identifying at-risk individuals, conducting outreach, and increasing resident resiliency.

GREEN BAY, WI - The City of Green Bay is pleased to share that it has been awarded a \$1 million grant from the Medical College of Wisconsin (MCW) - Wisconsin Community Safety Fund (WCSF) in partnership with the state of Wisconsin to be used towards creating and sustaining an Office of Violence Prevention (OVP).

Green Bay is the first grant recipient to be publicly announced. MCW will be making additional announcements in the coming weeks.
