MADISON - Today, Law Forward, Stafford Rosenbaum, Election Law Clinic at Harvard Law School, Campaign Legal Center, and Arnold & Porter are filing a Petition to the Supreme Court of Wisconsin to take jurisdiction of an original action to challenge the gerrymandered state legislative maps.

“In the past 12 years, one political party captured the Legislature and has insulated itself from being answerable to the voters,” said Jeff Mandell, partner at Stafford Rosenbaum and Board President of Law Forward. “Despite the fact that our legislative branch is meant to be the most directly representative of the people, the gerrymandered maps have divided our communities, preventing fair representation. This has eroded confidence in our political system, suppressed competitive elections, skewed policy outcomes, and undermined democratic representation. We have endured 12 years of rule by right-wing interests, and the voters of Wisconsin deserve fair representation.”

The Petition includes challenges under the Wisconsin constitution:
