End Domestic Abuse Wisconsin: The Wisconsin Coalition Against Domestic Violence (End Abuse, www.endabusewi.org) is the leading voice for victims of domestic abuse in Wisconsin. At End Domestic Abuse Wisconsin, we educate shelter and program volunteers and advocates, law enforcement, legislators, and community members to provide safety and support to survivors. We strive to shift Wisconsin from the attitudes and beliefs that cause domestic violence to values of mutual respect and equity, and we partner with communities in the effort to prevent and end domestic abuse. We encourage reporters to include the National Domestic Violence Hotline number [1-800-799-SAFE(7233)] in their stories for victims who need help.
