Group will study strategies to attract and retain a strong direct care workforce, support families providing caregiving.

MADISON - Gov. Tony Evers today announced 29 appointments to serve on the Governor's Task Force on Caregiving. The goal of the Task Force is to analyze strategies to attract and retain a strong direct care workforce and support families providing caregiving supports and services.

"Caregivers provide critically important care and services, and it is essential that we recognize the important contributions these unsung heroes make to families in Wisconsin," said Gov. Evers. "These Task Force members bring a wealth of knowledge and personal experience that will be essential in helping us improve our direct care system while developing a plan to support and retain our caregivers so we can ensure folks in our communities have the resources and they need to live and age with dignity across our state."

Serving on the Task Force will be:

- Sen. Kathy Bernier - Wisconsin State Senator, Chippewa Falls
- Sen. Patty Schachtner - Wisconsin State Senator, Somerset
- Rep. Chuck Wichgers - Wisconsin State Representative, Muskego
- Rep. Deb Kolste - Wisconsin State Representative, Janesville

In February, Gov. Evers signed [Executive Order #11 creating the Task Force on Caregiving](#) . The Department of Health Services will staff and support the Task Force and will work with the Department of Workforce Development to provide data and other technical assistance as necessary.

Executive Order #11 charges Task Force members with developing strategies to attract and retain a strong workforce, improve compensation and other benefits for caregivers, and establish a provider registry to help connect more families to the care they need. Many caregivers are family members or unpaid. The Task Force looks to help address the needs of
