Funds made available with support from City of De Pere, donations from Schnieder foundation, more, announced to aid re-opening and begin recovery.

De Pere, WI – The De Pere Area Chamber of Commerce, with support from the City of De Pere, announces COVID-19 Business Transition Grant that will assist small businesses located within De Pere while they move into re-opening and begin the stages of recovering from the state wide shutdown of non-essential businesses mandated on March 17, 2020.

“The De Pere Area Chamber is continuously searching for opportunities that benefit our business community,” says Amber Thiel, President/CEO of the De Pere Area Chamber of Commerce, “we are appreciative to have the ability and resources to step up during this time and assist small businesses in re-opening and moving forward through this undoubtedly challenging period.”

Eligible applicants must own and operate a local business within the City of De Pere. Full-time equivalent employees may not exceed 25. Businesses within the Main Street District are eligible however, are only eligible for a grant up to \$2,500 which includes any funds they may have received through Definitely De Pere’s COVID-19 Business Relief Grant Fund. Businesses may not exceed a grant of \$2,500 between the two programs. Other criteria are considered, applications will be scored by a committee and awards will be granted by Wednesday, June 3, 2020 based on need.
