DPW Chair Ben Wikler gets national attention with his oped on Gov. Tony Evers' (D-WI) fight against Republicans' assault on democracy in Wisconsin and, with it, America.

WASHINGTON, DC - Wisconsin Democratic Party Chair Ben Wikler penned an op-ed for Crooked Media this week, explaining how Wisconsin Gov. Tony Evers is the last line of defense against Republicans trying to strip Wisconsinites of their right to vote. Republicans across the country are attempting to gut voting rights - the Brennan Center estimates Republicans have introduced
253 bills to strip voting access in 43 states
, including
10 in Wisconsin
.

Under the guise of " election integrity ," Republicans in the WI legislature have introduced a number of ridiculous proposals, including drowning voters in paperwork when they apply for an absentee ballot, barring staff at assisted living sites from reminding residents of an upcoming election, imposing photo ID requirements, restricting drop boxes to one per county no matter the county's size, and more.
