Would be first increase in 30 years.

MADISON - Today, Rep. Madison, Rep. Moore Omokunde, and Sen. Larson introduced LRB 4638 which would increase State Supplemental Security Payments for the first time since 1994. LRB 4638 would increase payments by the rate of inflation from 1994-2022 and include an annual cost-of-living adjustment moving forward, which aligns state payments with annual Federal Social Security Income cost-of-living adjustments.

More information on Wisconsin's Supplemental Security Income program can be found in the [Legislative Fiscal Bureau's Info Paper #49](#) (January 2023).

Representative Madison (D-10) issued the following statement:

Democrats Introduce Legislation to Increase State Social Security Payments
