Call or email WI Senators Ron Johnson and Tammy Baldwin to urge them to vote NO on these bills!

MADISON - URGENT! Our friends at Kids Forward (formerly Wis. Council on Children and Families) has alerted us that Tuesday the U.S. Senate will decide whether to move forward with their unpopular health care bill or vote to repeal the Affordable Care Act with no plan to replace it. Either option would result in thousands of Wisconsinites losing their health coverage:

-- The Better Care and Reconciliation Act (BCRA) would leave millions of Americans without access to affordable insurance, strangle Medicaid over the next decade, and likely weaken employer-based coverage.

-- The Obamacare Repeal Reconciliation Act (ORRA), which would repeal the Affordable Care Act without replacing it, would be even worse for Wisconsin.

Please call or email our WI senators and urge them to vote NO on these bills!

Sen. Ron Johnson (202) 224-5323
