Wisconsin families and taxpayers stand to benefit from \$10.10 minimum wage.

GREEN BAY - Dan Robinson, 88th District state Assembly candidate, State Representative Eric Genrich (D - Green Bay), and other area candidates and officials will hold a press event on September 2, 2014 at 11:30am on Costco Way in Bellevue.

In the wake of Labor Day, Robinson and others will discuss how increasing the minimum wage to \$10.10/hr is a critical step to reduce welfare reliance, fight poverty, and grow Wisconsin's economy. As one example, Costco's responsible employee compensation and continued growth demonstrates the profitability of a living wage for companies, the benefits for employees, and the positive impact on the community.
