MADISON - As kids statewide are gearing up for the new school year, the state legislature's budget committee *right now* is considering a proposed increase in public support of \$200 per student over the next two years. While that certainly won't make up for recent cuts, it is critically needed to maintain high quality public education in Wisconsin.

Contact the Joint Finance Committee and urge them to support the proposed increase to public education in the state budget. Here's contact information for the Committee:

- Senator Darling, Co-Chair - 608-266-5830, Sen.Darling@legis.wisconsin.gov
- Rep. Nygren, Co-Chair - 608-266-2343, Rep.Nygren@legis.wisconsin.gov
- Joe Malkasian, Committee Clerk - 608-264-8314, joe.malkasian@legis.wisconsin.gov
