MILWAUKEE, WI - As COVID-19 surges dangerously out of control, we look forward to national and state course corrections. Next, we discuss the prospects for national healthcare reform in the coming Biden/Harris Administration. We evaluate Gov. Evers' new COVID-19 Executive Orders, as health care workers and hospitals to the brink. We preview the 2021-22 state budget process and the importance of pushing to include BadgerCare Public Option and other structural reforms in Governor Evers' next two year budget.
