MILWAUKEE - We welcome U.S. Senate candidate Chris Larson to the show to discuss his campaign in the crowded Democratic field. This is the first in our series of interviews of the major Democratic candidates to unseat Sen. Ron Johnson. How will Senator Larson differentiate himself from the other candidates? The panel updates listeners on the status of the important bipartisan Infrastructure bill, the \$3.5 trillion budget reconciliation package, and the filibusterer. The White House and many communities are considering a return to mask guidelines and mandates for the vaccinated and unvaccinated alike as the delta variant rampages through the unvaxed population.
