MADISON - This week, the Legislature passed a nasty bill that would violate our First Amendment right to freedom of assembly, as I point out here:

### [Gov. Evers Must Veto “Riot Bill”](#)

>> Please [contact the governor](#) and urge him to veto this dangerous bill ( [Senate Bill 296](#) )

In the money race, candidates and political parties have been filing their reports, and here's one thing that popped out:

### [State Dems Raised Nearly 5x More Than State GOP in 2021](#)

But just because Democrats in Wisconsin have figured out how to play the money game, that doesn't make this game any cleaner, any fairer, any more transparent, or any more participatory.

Here's a short piece I wrote to try to illustrate how the super-wealthy of both parties are getting around the limits on direct donations to candidates:

### [2 Donors Who Epitomize Why We Need Campaign Finance Reform in Wisconsin](#)

I hope you find these pieces of interest.

And thanks for contacting Gov. Evers on the “riot” bill.
