Legislative Cash Entering 2022

MADISON - We need accountability for the crimes against our democracy.

That means accountability for Donald Trump.

And it means accountability for anyone in Wisconsin who were co-conspirators in the coup attempt.

On Wednesday, our legal allies over at Law Forward asked Dane County District Attorney Ismael Ozanne to prosecute the Republican false electors. I write about that here:

[Law Forward Asks DA Ozanne to Go After False Electors](#)

On the legal beat, I also wrote about the horrendous decision by the Wisconsin Supreme Court late last Friday that infringes on our freedom to vote:

[Wisconsin Supreme Court's Horrible Ruling on Drop Boxes and Ballot Delivery Assistance](#)

And on the campaign finance front, we noted that Republican fundraising for legislative races in Wisconsin is far outpacing that of the Democrats:

[GOP Lawmakers Had 4x More Cash Than Dems Entering 2022](#)

This is what we do, day in and day out: We track the money, we expose the anti-democracy forces, and we advocate for a broad range of pro-democracy reforms so that everyone can have an equal voice.

Thanks for supporting us in these efforts.
