Podcast panel discusses conservative conspiracy theorists who are urging illegal decertification of the 2020 presidential election.

MILWAUKEE - Our panel discusses Speaker Robin Vos' meeting with conservative conspiracy theorists who are urging illegal decertification of the 2020 presidential election. Will Trump be returned to power via midterm coup? The Wisconsin Election Commission does not pursue charges against Wisconsin's fake electors. What does it mean? We review the implications of Gannett closing its West Milwaukee printing plant where it prints the Milwaukee Journal Sentinel and numerous other Wisconsin newspapers. Is there any future for corporate-owned newspapers? Finally, the progressive firebrand brewer Kirk Bangstad from the Minocqua Brewing Super PAC joins us to talk about the PAC's lawsuit alleging U.S. Sen. Ron Johnson and U.S. Reps. Scott Fitzgerald and Tom Tiffany are barred from holding public office by the post Civil War 14th Amendment. Will they suffer the fate of confederate leaders?
