East coast election results, GOP Constitutional Convention vote, and the State Senate approval of the "ConCon" and why it is a threat to democracy.

STATEWIDE - On the week Gov. Walker launched his quest for a 3rd term, former panelist Jorna Taylor joins us to review election results on the east coast and predict their implications for Wisconsin in 2018. This week Wisconsin officially joined the Koch Brother-fueled right-wing conspiracy to radically reconstruct the U.S. Constitution.

Ken Taylor, executive director of Kids Forward, joins us to talk about the State Senate approval of the "ConCon" and why it is a threat to democracy. We also discuss the rubber-stamping of the Foxconn contract by the WEDC board and the repeal of Wisconsin's sulfide mining moratorium heads to Walker's desk.
