STATEWIDE - We welcome Tim Burns, Citizen Action of Wisconsin's endorsed candidate for State Supreme Court (primary next Tuesday, February 20) to discuss his novel willingness to run on his progressive values and fight for average people against the big corporate interests that are rigging the system.

We also talk about the latest mass school shooting in Florida and the GOP's serial appeasement of gun extremists. We also are joined by Citizen Action Western Wisconsin Organizing Cooperative member Sarah Godlewski who educates us about the referendum to abolish the State Treasurer, a move that would further reduce fiscal accountability in Wisconsin government.
