STATEWIDE - Special guest panelist, Luz Sosa, educates us on ICE's detainment and the attempt to deport of Citizen Action/Accion Ciudadana member Ricardo Fierro, a major civic leader who is married with 7 children. The shocking case reveals the moral bankruptcy of our current immigration policies. We are joined by Citizen Action board member Carmen Cabrera to discuss the important primary election for co-op member Marisabel Cabrera on August 14th and why you need to volunteer to help her win a seat in the State Assembly.

Western Wisconsin co-op leader Jeff Smith talks with us about his primary election for State Senate. Finally, Robert educates us on the latest Trump and Walker efforts at sabotaging the Affordable Care Act.
