Written by Wisconsin Senate, Kate Constalie Thursday, 24 January 2019 10:33 -

MADISON, WI – Senator Patty Schachtner (D-Sommerset) offered the Democratic weekly radio address highlighting Governor Evers' State of the State Address.

"In his first State of the State address, Governor Tony Evers laid out an agenda to expand access to health care, fully fund our schools, and provide income tax relief for working families. Governor Evers spoke about the need to connect the dots between the issues facing our communities." – Senator Patty Schachtner

The audio file of this week's address can be found here:
