MILWAUKEE - The panel talks about Boss Vos' stubborn unwillingness to accommodate State Rep. Jimmy Anderson, a legislator with a disability. We discuss the news that state leaders met with Foxconn officials this week in the wake of reports that taxpayers will pay \$172,000 – \$290,000 per job, if there are any. Governor Evers floats the idea of a special session on gun violence and pays a visit to the heart of right-wing political darkness, WMC. Clean Wisconsin and other environmental groups sue EPA over Trump's retrograde coal power rule, and we discuss the presidential candidacy of Sen. Kamala Harris.
