STATEWIDE - We review the big news that Rep. Sean Duffy is resigning from Congress, sparking widespread speculation about the election to replace him. Guest panelist Claire Zautke and Robert discuss comments by Congressman Pocan about healthcare in the 2020 election.

We also talk about the fallout of the GOP's lame duck power grab from Attorney General Josh Kaul and Milwaukee Journal Sentinel's unfair slamming of the new progressive newspaper, Wisconsin Examiner. Finally we welcome Citizen Action co-op member Tricia Zunker, president of the Wausau School Board, to discuss her work to retire Native mascot imagery from Wisconsin public schools.
