STATEWIDE - We discuss the grossly insufficient indictment brought against only one of the Louisville police officers who killed Breonna Taylor. We welcome Citizen Action president Mark Thomsen to educate our listeners about new state legislation (LRB-6434/2) providing a blanket COVID-19 liability shield for businesses and how you can fight it. We continue our interviews with state legislative candidates talking with Deb Andraca and Sara Rodriguez who are making serious challenges to GOP assembly members in the Milwaukee suburbs. They tell us why these Republican gerrymandered districts are changing and ready to elect Democrats this year.
