Milwaukee - Monday, Wisconsin U.S. Senate candidate Alex Lasry announced that his campaign is launching a new digital ad against Ron Johnson.

“With Ron Johnson announcing that he is running for reelection, the stakes for Wisconsin are just too high,” said Alex Lasry. “There is nothing more important than defeating Ron Johnson. Wisconsin deserves a leader who listens to the facts, not someone who spreads conspiracies.”

The new digital ad looks at Ron Johnson’s record of misleading Wisconsinites as an Insurrection-Denier, a COVID-Denier, and a Climate Change-Denier. [The new ad can be viewed here](#)

“I’m proud to be endorsed by progressive leaders from across Wisconsin,” Lasry said. “They know I’m our best chance to win in November so we can give Wisconsin two senators that we can be proud of.”

The Lasry campaign previously was on the air with a seven-figure statewide broadcast, cable, and digital buy in October and November.

The Democratic Primary Election for the United States Senate will be held Tuesday, August 9th, 2022. For more information about Alex Lasry’s campaign, visit www.alexlasry.com.
