

MADISON, Wis. — In response to Thursday’s announcement by former Republican Attorney General Brad Schimel that he will seek election to the Wisconsin Supreme Court in 2025, Wisconsin Democrats launched [BradSchimel.org](https://bradschimmel.org), a new website highlighting how Wisconsin’s worst Attorney General is the last person we need on Wisconsin’s highest court.

Democratic Party of Wisconsin Chair Ben Wikler issued the following statement:

“Wisconsinites rejected Brad Schimel after a single term as Attorney General because his extreme politics and inept mismanagement became too great to ignore, with thousands of rape kits left untested at the State Crime Lab and millions of dollars wasted on partisan efforts to suppress voting rights and push new restrictions on abortion access. Wisconsin’s worst Attorney General doesn’t deserve a promotion to our state’s highest court.”
