MIDDLETON - Russ for Wisconsin will e-file its 2015 Q4 FEC report today. The campaign reports raising \$2,655,519.81 in the fourth quarter of 2015 and \$7,423,595.86 since Russ jumped into the race 8 months ago.

Both figures represent federal off-year records for Wisconsin.

Russ for Wisconsin reports \$4,814,837.83 in cash on hand at the end of Q4.

Over 25,000 Wisconsinites from all 72 counties have contributed to Russ's campaign. Broad grassroots support continues to define Russ's bid. 94% of all Q4 contributions are \$100 or less.

"This strong grassroots support reflects the enthusiasm of hardworking Wisconsinites across the state who are the backbone of Russ's campaign," said Campaign Manager Tom Russell.

Since announcing his candidacy, Russ has traveled to all 72 counties, listening to Wisconsinites in every corner of the state.
