

GREEN BAY - As you may know, with the support of my neighbors I have gotten my name on the Spring 2016 General Election ballot. I am running for Brown County Board of Supervisors, District 8. I am running because I care deeply about the quality of life in my community and want to do my part to improve it. This will not be possible without your support.

Brown County deserves someone who will wear his community pride on his shoulder. Brown County deserves someone who will treat his constituents and colleagues with dignity and respect. Brown County deserves someone who not only focuses on the needs of his constituents, but Brown County as a whole. I am that someone. However, in order to effectively reach my constituents I need your support.

Brown County does not deserve someone who spits on his fellow representatives, makes racist and sexist remarks. Brown County does not deserve someone who picks and chooses who he represents. Brown County does not deserve someone who holds grudges and builds walls. Guy Zima has not lived up to his role as Brown County Supervisor and has been more of an embarrassment than an effective leader.

I need your help to beat Guy Zima. I need your help to reach my neighbors to inform them of what I can do for them and our County. You can help me by donating $25, $50, or up to the individual contribution limit of $500. If you are able to donate please mail a check to Citizens for William Peters 233 N. Ashland Ave. Green Bay, WI 54303 or click here .

With your help we will make Brown County a more vibrant and healthy place to live!!

Thank you for your support,

Will Peters
