CHIPPEWA FALLS, WI - Retired Air Force Major Dennis Hunt is a Chippewa Falls native running for the 67th Assembly District, a competitive open seat. He has a deep love and commitment to state and country, as evidenced by his extensive military service, which led him to work in the Pentagon before, during and after the September 11th attacks.

Dennis and his wife Annette are very active in their local community. The couple are co-owners of Chippewa Valley Financial Services, and Annette serves on the Chippewa County Board. Dennis believes in being a good steward of our taxpayer dollars to prioritize public education, improve job growth, increase wages, and reduce unemployment.

Dennis Hunt is running for the 67th Assembly District because he understands the importance of protecting his community from the dangerous consequences of the extreme Republican agenda.

Now, with the primary behind him, Dennis is ready to get down to business and do what it takes to finish strong in November. However, to remain competitive with his Republican opponent, he will need help from grassroots supporters like you in his district and across the state.
