

Wachs honored to be appointed, looking forward to working in a bipartisan fashion.

MADISON - Representative **Dana Wachs** (D-Eau Claire) issued the following statement after being appointed to the Wisconsin State Building Commission for the 2017-2018 session:

“I am honored to be appointed to the Building Commission. The work of this Commission to improve and maintain state facilities and oversee new buildings is extremely important. A well planned long-range building program benefits all Wisconsin citizens and provides for a more efficient and effective government.

“It is paramount that those of us in public office are careful stewards of taxpayer money, and the oversight provided by the Building Commission ensures that our state facilities are serving their purpose. I look forward to working in a bipartisan fashion with my colleagues on the Commission.”
