to see recent and upcoming events for this dynamic group.

If you contacted your state legislators about bills the League was following in the November legislative floor sessions, thank you! [Here is a](#)

[roundup](#)

of what

happened to the bills and what the next step, if any, is for each proposal. And thanks to our intern Eliana Locke for preparing this resource.

After suffering a 28% staffing reduction in the state budget, the Wisconsin Elections Commission

will [consider a](#)

on

Monday to ask the legislature for funding for three positions devoted to election cybersecurity and voter education. Read the League's

Special elections have been scheduled to fill vacancies in 3 legislative districts:

- Senate District 10 (parts of Burnett, Polk, St. Croix, Pierce and Dunn counties)
- Assembly District 66 (within the City of Racine)
- Assembly District 58 (within Washington County).
