***State Representative Subeck says "our next governor has to prioritize the health and well-being of all Wisconsinites. Kelda Roys is the only candidate in this race who will be ready on day one to do just that."***

---

MADISON, WI - Today, Democratic gubernatorial candidate Kelda Roys was endorsed by State Representative Lisa Subeck.

"I'm proud to endorse Kelda Roys," said Rep. Subeck. "Kelda has spent years working to ensure every Wisconsinite has access to quality, affordable healthcare, and she has the track record to prove it. To restore opportunity and fairness to Wisconsin, our next governor has to prioritize the health and well-being of all Wisconsinites. Kelda Roys is the only candidate in this race who will be ready on day one to do just that."

Roys has previously been endorsed by many national and state organizations and leaders, including EMILY's List, NARAL Pro-Choice America, National Organization for Women, Feminist Majority, Demand Universal Healthcare, Moms Demand Action, #VoteProChoice, Rep. JoCasta Zamarripa, Rep. Nick Milroy, Rep. Amanda Stuck, former Sen. Jess King, and dozens of local elected officials.

"I'm honored to have the endorsement of Representative Subeck," said Roys. "Subeck has been a fantastic leader on the issues of healthcare, equality, and justice. Together, we will make sure every Wisconsinite has the opportunity they need to get ahead."

---

*Roys is a small business owner, attorney, former state representative, and past head of NARAL Pro-Choice Wisconsin who has been standing up for women and families throughout her career. In the Assembly, she stood out as an influential and effective lawmaker, delivering results for working families and helping lead the opposition to Governor Scott Walker's divisive agenda. As a parent and step-parent of four girls, Roys will fight for paid family leave, affordable childcare, great schools, and quality healthcare for all. In a year in which Wisconsin voters are ready for change, Kelda Roys provides the clearest contrast to Scott Walker.*
