MILWAUKEE - Democratic gubernatorial candidate Matt Flynn will launch his first television advertisement of the campaign this week. In the spot, titled “Only Candidate”, Flynn distinguishes himself as the only candidate with a plan to stop Foxconn.

“I am excited to release my first campaign ad which will show Wisconsin Democrats why I am the correct choice to take on Walker in the fall,” said Flynn. “This election is too important to sit out, and we need a candidate who is ready and willing to stand up to Donald Trump and Scott Walker. I’m the only veteran in the race and the only one with a plan to stop Foxconn.”

The Flynn campaign added the commercial to his YouTube page. [It can be seen here](#).
