Thank you for all of your hard work and wish your family the very best Thanksgiving.

MADISON - I am reaching out to wish you and your entire family a great Thanksgiving and share just how thankful I am for the support Wisconsin Democrats gave my campaign.

With your help, we delivered a big win for Wisconsin, and I want to thank you from the bottom of my heart.

For the past 14 months, so many of you have invited me into your homes and businesses, knocked doors, and made phone calls.

You talked to your friends, family members, and neighbors to get them out to vote for me, Mandela, Tammy, Josh, Sarah and the rest of our Democratic slate.

As the campaign progressed, I realized more and more that this election was always more important than us, or any political party.

It was about people getting directly involved and fighting for a Wisconsin that works for all. I want to thank Wisconsin Democrats like you that helped us make our plan a reality.

Our work together to implement the idea that “what’s best for kids is what’s best for our state” is just beginning, but it’s also important to reflect on how far we have come.

Kathy and I want to thank you for all of your hard work and wish your family the very best Thanksgiving.

Thank you for all that you do,

Tony
