

MADISON, WI – Senate Democratic Leader Jennifer Shilling (D-La Crosse) released the following statement after Tony Evers was sworn in today as the 46th Governor of the State of Wisconsin:

“I am thrilled to welcome Governor Tony Evers and Lt. Governor Mandela Barnes as we usher in a new era in Wisconsin history. Today marks a fresh start to move past political battles and build a new path forward that focuses on improving health care, strengthening schools, and fixing roads. Gov. Evers has built a team from across the state that brings diverse experience and knowledge to the table and I know they are ready for the challenges and opportunities that lie ahead.”
