***The long wait is over, it's time to make your voice heard. Go vote, if you haven't already, and help others vote if you have.***

---

MADISON - The day we've been preparing for over a year is finally here! There's only one thing left to do:

**GO VOTE!**
*(If you haven't already)*

If you have an absentee ballot, make sure you **deliver your ballot to a dropbox by 7 PM today.** Check your municipality for dropbox locations.

If you're voting in person, **confirm your polling place here.** Wear a mask and remember: **as long as you're in line by 8 PM you can still vote!**

This is the most important election of our lives, so don't sit this one out, Wisconsin!

Forward,

Team Sarah
