STATEWIDE - We welcome State Representative Melissa Sargent to discuss her new legislation to raise Wisconsin's minimum wage to \$15/hour and the latest developments in the state budget.

We also welcome two leaders of parent-based education organizations who are leading the fight in Wisconsin to adequately finance public education - Heather DuBois Bourenane, coordinator for the Wisconsin Public Education Network and Shawn Rolland from Support Our Schools in Tosa.

We also talk about the expensive lengths conservatives will go through to punish low income workers and the unemployed.
