MILWAUKEE - Our panel reflects on the hate crime killing targeting the LGBT community in Orlando last week and discuss how national and Wisconsin political leaders are responding to the tragedy.

We look at the latest Wisconsin and national polling in important 2016 elections. The new MU Law poll confirms Gov. Walker is still very unpopular, even as his invite-only "listening sessions" convince him otherwise.

We also discuss the release of the 2015-2016 legislative scorecard by the Wisconsin League of Conservation Voters ranking all state legislators on important conservation votes.
