MILWAUKEE - Jorna continues her magic hosting ways while Matt wonders out yonder. Speaking of out yonder...WEDC finally gives up the goods per the Citizen Action Open Records request and what did we get? Zilch cakes! Robert explains how WEDC can't find any awarded companies downsizing or laying off workers in Wisconsin, #strange.

We then chat about Mr. Christie, Mr. Walker, Mr. Johnson and Mr. Ryan, and how they all love Mr. Trump so much that they may or may not show up for the Republican National Convention. As Robert jumps on a plane to Orlando for the 2016 Democratic Platform meeting, he gives us all the juicy details on the almost progressive platform.

Who said TPP? Robert also challenges Right-Wing radio chat-o-matic Vicki McKenna to a debate on Free Speech, or to an arm wrestling contest. What's going on? Listen and find out!
