MILWAUKEE - We announce the big news that Battleground Wisconsin will start airing on 1510 AM talk radio in Southeastern Wisconsin this Sunday at 3pm. We launch our new radio show with special guest Sen. Tammy Baldwin to talk about the current healthcare battle in Congress and why it such a deeply personal fight for her.

On our Paul Ryan Watch segment we pick up on last week's discussion of Ryan's horse-riding media circus along the U.S./Mexico border with One Wisconsin Now's Scot Ross. We also discuss the increasing importance voters are placing on fair elections and ending our corrupt system that allows politicians to choose their own voters through rigged legislative districts.

Finally we remind listeners to get out this weekend and volunteer to help re-elect Tony Evers in the Spring Election.
