GREEN BAY - Tom Nelson, who lives in Little Chute, WI has Northeast Wisconsin roots that run deep. His father is a Lutheran Pastor who established churches in Combined Locks and Sherwood more than 30 years ago.

Tom has always been active in our community: knocking on 80,000 doors, attending countless parades and community events, volunteering for charities like Loaves and Fishes Food Pantry in Kaukauna, attending bible study at St. Therese Church, and raising his two young children in the Fox Valley.

Tom's commitment to his community is why he has dedicated his life to public service through his time in the State Legislature and as the Outagamie County Executive.

Now, Tom is running for Congress in the 8th CD because Washington is broken. Just as he has done throughout his entire career, he will always put the people of Northeast Wisconsin first.

*I believe that big corporations and the wealthy should pay their fair share. Mike wants to give them more tax breaks.*

*I want to raise the minimum wage. Mike's against that.*

*I want to strengthen Social Security. Mike Gallagher wants to reduce benefits to the poverty line.*

*And one more thing. Mike Gallagher supports Donald Trump.*

*I approve this message because Donald Trump is dangerous, and we can't let him become President.*
