GREEN BAY - We are looking for an outgoing friendly individual to join the team at the ReStore. The Truck Driver/Donation Ambassador will be representing the ReStore to our donors. This person will be responsible for picking up donations from individuals, businesses and other organizations using our brand new 24 foot straight truck. We will expect the person in this position to represent Habitat for Humanity and the ReStore in a positive manner. This person will be working with the ReStore staff and volunteers to make sure that our donors have a great experience donating to the ReStore. This is going to be a physically demanding job. The Truck Driver/Donation Ambassador will be loading a large variety of donated goods on our truck. If you are courteous, safe, hardworking and a team player we would like to hear from you.

Please apply via email to: Bill Seleen – Director bseleen@restoregb.org . Resumes will be accepted via email until 8/2/14.

For more information and a complete job description, go to www.restoregb.org .

Due to our limited resources, we will only contact individuals we are interested in interviewing.
