GREEN BAY - YWCA Green Bay-De Pere is seeking a Lead Teacher to work with school age girls, encouraging their interest in the fields of science, technology, engineering, and math.

TechGYRLS® is an all-girl program that offers fun math and science experiments, Lego Robotics, field trips, guest speakers, outdoor activities, and more. The program meets for 90 minutes of after school hours. The Lead Teacher will be responsible for the delivery of services for this program. All training, curriculum, and supplies will be provided.

Hours: Part-time, 20 hours a week, hours are scheduled from 1pm – 6pm but can vary depending on employee preference.

Pay: Salary: \$9.75 per hour.

Start Date: October 2014

Description: Position will include but is not limited to:

- Teaching in an after-school classroom
- Hiring and coordinating schedules of additional TechGYRLS' teachers
- Set up/cleanup of workshops
