GREEN BAY - Family Services of Northeast Wisconsin is recruiting for a Family Support Worker with our Early Head Start program. Early Head Start is a voluntary, home visitation program offering intensive support to high-risk parents with the goal of improving family functioning, promoting positive parenting, and helping each family to identify and meet their child's developmental needs.

The program currently has a 40-hour per week, limited term (16 weeks to cover a maternity leave), home visitor position available. This position involves weekly home visits to prenatal mothers and families with children up to 3 years old. Knowledge of child growth and development, parenting and/or home visiting experience, and bilingual skills are valued. Early Childhood education is preferred.
