GREEN BAY - ASPIRO, Inc. is a non-profit agency whose mission is creating opportunities for people with disabilities to reach goals, connect community, and achieve independence is looking for Home Support Workers.

The Residential Options Program aims to make living in the community a reality. The Home Support Workers provide the support needed to allow a person with a developmental disability to live in his or her own residence. Tasks include, but not limited to, helping with grocery shopping, teaching cooking/cleaning skills, and proper social behavior in the community.

A vehicle is needed and there is mileage reimbursement. Hours are 19 or less per week depending on your availability. Schedules are mostly late afternoon and early evenings and some weekend hours available. (Based on client's needs.)

If you are interested in becoming a Home Support Worker, please visit our website at www.aspiroinc.org and complete the online application.
