

Prevea Runway for Life

Written by GBP Staff
Tuesday, 15 April 2014 11:03 -

Considering donating your time to our worthy cause? You've come to the right spot! There are many ways we need people just like you to make this event a success.

Volunteer opportunities include:

- Help the crew set up before the event or take down afterwards
- Being a table host/hostess
- Greeting guests
- Parking lot attendants
- Assisting with silent auction
- And many more!

Proceeds will benefit the Breast Cancer Family Foundation located right here in Green Bay. This Foundation provides cancer awareness/prevention presentations to over 5000 local high school students and thousands of adults in our community every year.

You can make a difference by registering now to volunteer at this great event! Visit <http://www.runwayforlifegb.org/about-the-event/volunteer-opportunities/>
