GREEN BAY - The Aging and Disability Resource center is actively recruiting ADRC Board of Directors Volunteers for 2015! We have open positions for an individual who is 60 years of age or older and a position for someone with a physical disability (visual, hearing, mobility etc.) in accordance with our required proportion and representation of the people we serve.

Below is a link to the application packet and more information on our website.

Please have individuals submit materials to Devon Christianson, Director, so follow up with interested persons can occur about the commitment in more detail. The applications will be presented to the ADRC Nominations and Human Resource Committee later in October for final selection.
