GREEN BAY - Volunteers are needed at the Point in Time Street Count Wednesday, July 29th into Thursday, July 30th.

The Statewide Point in Time Count is an active street count. During this street count, teams of four volunteers go to designated areas throughout Brown County during the overnight hours and look for individuals who are homeless and living on the street or in their vehicles. These individuals are provided with resource information and a backpack filled with hygiene supplies, food & water.

Each team is led by a Team Lead, an individual who has experience conducting the street count. There are a total of four individuals on each team-one Team Lead and an additional three volunteers. Volunteers can sign up for multiple shifts.

The count starts at 9pm on Wednesday, July 29th and goes to 6am on Thursday, July 30th. The meeting location is the Crisis Center, located at 300 Crooks Street. Please arrive 20 minutes before the start of the shift. A mandatory Volunteer Orientation will be held 10 minutes prior to the start of each shift.
